

## 220V Battery Charging Control Switch Protection Board XH-M602

### Digital Control Battery Lithium Battery Charging Control Module

#### Feature:

- 1.Name:numerical control battery charging control module
- 2.Model:XH-M602
- 3.Input Voltage:AC 220V
- 4.Display Precision:0.1V
- 5.Control Precision:0.1V
- 6.Output Type:output switch
- 7.Voltage Tolerance:±0.1V
- 8.Application Fields:for 3.7-120V lithium battery or storage battery
- 9.Size:86\*58\*24mm
